EVENTS REDEFINED AT OAKEN GROVE VINEYARD

Nestled in the scenic Chiltern Hills between Henley-on-Thames and Marlow, Oaken Grove Vineyard offers a uniquely serene and distinctive setting for a corporate event, meeting, company away day, team training session or private party. With the covered wine terrace overlooking the vines and our interior meeting room, the vineyard is perfectly designed to give the right balance of indoor comfort and outdoor beauty.

But it's not all about work! You can also treat your team to something special as part of your event. We offer private guided vineyard tours and wine tastings so you can indulge in our award-winning English wines. This provides the ideal way to unwind, bond and build timeless memories with colleagues and friends.

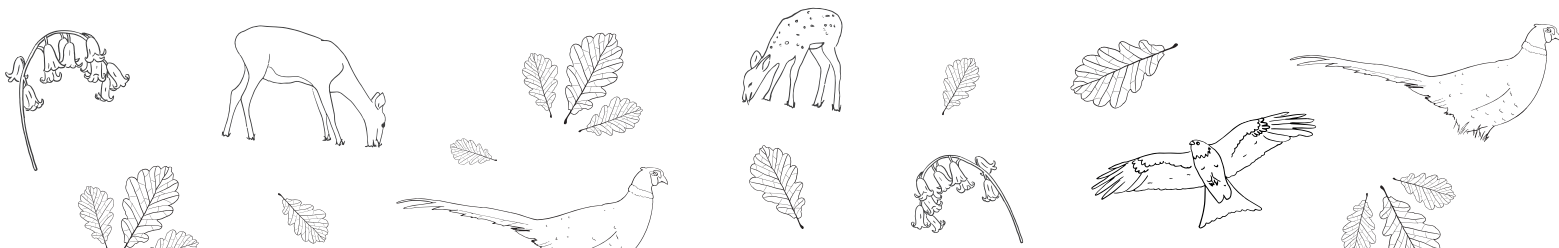

Oaken Grove provides you with the perfect blank canvas for you to design your special day. Alongside the tours and tastings, we host team building experiences such as country walks and cycle rides from the vineyard, treasure hunts and laser clay pigeon shooting, to name a few.
